BlueCard – BlueCard members are members whose insurance coverage is provided by another state’s Blue Plan. These members may work and/or reside in Arkansas, but Arkansas Blue Cross Blue Shield is not their Home Plan. Example: Lennox employees in Stuttgart are insured by Blue Cross and Blue Shield of Texas because the Lennox home office is in Texas. Therefore, Blue Cross and Blue Shield of Texas will determine benefits. Arkansas Blue Cross receives claims and prices them at our network rates, but the claims are forwarded to the **home** plan for benefits to be applied. This means Arkansas Blue Cross **does not** determine how benefits are applied or to which provider types benefits are allowed. Please note that some BlueCard claims may deny as “provider not allowed to render these services” and will need to be written off, per provider contract.

Self-funded – Companies who fund payment of their own claims through Arkansas Blue Cross. All BlueAdvantage plans – Walmart, J.B. Hunt, Arkansas State Employees & Public School Employees, etc. – are self-funded and determine their own benefits.

Behavioral health for members of the Federal Employee Program (FEP) is administered through Lucet. Providers should contact Lucet to join their behavioral health network.

Providers will receive multiple contracts PPP, True Blue PPO and Health Advantage. Under each contract there are multiple lines of business.

Medicare Advantage allow Ph.D.s, LCSWs, LMFTs, PA's, CNP's and LPCs to participate in the Medicare Advantage networks.

Tips for success

Claim-filing tips

- **Place of service: 11 for Clinic**
- **Rendering provider: Individually contracted** providers should use their **NPI** when rendering services
- **“Pay-to” or billing provider:** Should be **Clinic/Group NPI** (this is the NPI the claim will be **paid to**)

Place of service 11 *must* be used in the Clinic setting. Even if you are a solo provider, we **highly recommend** setting up a “group/clinic” with your Tax ID to be your “Pay-to”. The Group NPI will be your “Service Location” (block 32) on your claim. Your individual NPI will then be linked to your new group. This will decrease the likelihood of payment errors.

Telehealth

- Please refer to the **telehealth policy** for **telehealth billing**
 - secure.arkansasbluecross.com/members/report.aspx?policyNumber=2015034
- **Place of Service 02 or 10** must be used
- **Modifier GT or 95** must be used by the distant sight healthcare provider

Please refer to the telehealth coverage policy for codes that are covered via telehealth.
Not all codes are covered via telehealth.

Correcting a denied claim

- A **corrected claim** may only be submitted when a claim is **denied** on a **remittance advice** (**does not** pertain to rejections in **Availity**)
- Choose **claim frequency type 7** to submit a **correction** to a denied claim
 - You will need the **original claim number** (ICN) from the **remittance advice** (RA)
- **Detailed instructions** are available in **Availity Direct Data Entry training**
 - Alternatively, you can submit a corrected claim **through your clearinghouse**, using **claim frequency type 7**

Who to call for help?

- **Availity questions** – Call **800-AVAILITY** (800-282-4548)
- **Claims inquiries** – contact **Availity** or **customer service**
- **Enrollment questions/application requests** – please contact the **NDR support staff**
- **Arkansas Blue Cross questions** – Call/email the **mental health NDR** with reference numbers for unresolved issues

Please reach out to customer service for any claims-related questions and to Availity for any Availity questions. A reference number will be required prior to reaching out to the NDR or support staff for any claims or Availity questions.

The enrollment process may be initiated by sending email requests to the NDR support staff listed on the following slide. Please **make note of the various regions** and reach out to the **appropriate** staff that support your area.
